# 1. BOND DESCRIPTION

## 1.1 DESCRIPTION

The Bonds are New Zealand Dollar bonds with a fixed coupon which is paid semi-annually in arrears. On the Maturity Date, the Face Value of the Bonds is paid and the final payment of Coupon Interest is made.

The Bonds are issued on the terms set out in this Information Memorandum.

## 1.2 ISSUER

The issuer of the Bonds is the Crown.

Pursuant to Part 6 of the Public Finance Act 1989 (“the Act”), the Minister of Finance has authorised the borrowing of money by way of the issue of Bonds. Bonds will be issued on the terms of this Information Memorandum and Part 6 of the Act whereby Coupon Interest, the Face Value of the Bonds and any other money payable on the Bonds are a charge upon and payable out of the revenues of the Crown.

Bonds may be issued on behalf of the Crown by NZDM from time to time, subject to the applicable terms of this Information Memorandum, by tender, syndicated issue, private placement or otherwise.

## 1.3 REGISTRAR

The Registrar is Computershare Investor Services Limited or any other party nominated by NZDM to act as agent.

## 1.4 CHANGES IN REGISTRAR

The Crown reserves the right to appoint another party as the registrar or for NZDM to perform those functions. In such circumstances, Bondholders will be advised of such a change.

## 1.5 GREEN BONDS

Bonds may be issued as Green Bonds. For any Green Bonds issued by the Crown, an amount equal to the total net proceeds of the Green Bonds is intended to be allocated to finance and/or refinance, in whole or in part, expenditures that meet the green eligibility criteria set out in the New Zealand Sovereign Green Bond Framework originally published 14 September 2022 (as amended or replaced from time to time) (the “Green Bond Framework”). Further information is set out in the Green Bond Framework.

If:

- the Crown fails to allocate the proceeds of any Green Bonds in the manner described in the Green Bond Framework or fails to comply with the Green Bond Framework or related matters;
- any Green Bonds cease to satisfy the Green Bond Principles published by the International Capital Market Association;

- the Crown undertakes non-eligible projects outside of Green Bond Framework; or
- the Crown fails to notify investors that any Green Bonds have ceased to be labelled as 'green' as described,

then no Event of Default or any other breach will occur in relation to the Green Bonds and neither you nor the Crown have any right for the Green Bonds to be repaid early.

This means there is no legal obligation on the Crown to allocate the proceeds of the Green Bonds in the manner described in the Green Bond Framework or to comply with the Green Bond Framework or the Green Bond Principles on an ongoing basis.

The Green Bond Framework does not apply to any Bonds other than Green Bonds.

## 2. COUPON INTEREST

Coupon Interest is calculated on the Face Value of the Bonds at half the annual Coupon Interest Rate and payable semi-annually in arrears on each Coupon Interest Payment Date. Coupon Interest will cease to accrue on the Bonds from the Maturity Date.

Subject to the next paragraph,

- the first Coupon Interest payment on the Bonds will be calculated on the basis that there is deemed to be a full semi-annual period between the Issue Date of those Bonds and the first Coupon Interest Payment Date of those Bonds; and
- Coupon Interest will be paid on the first Coupon Interest Payment Date following the Issue Date of those Bonds.

For Bonds issued during the period after a Record Date up to, but not including, the Coupon Interest Payment Date immediately following that Record Date, Bondholders will not be paid Coupon Interest for the period (deemed or otherwise) between the Issue Date of those Bonds and that Coupon Interest Payment Date.

The formula for the settlement price for Bonds in clause 5.1 of this Information Memorandum takes into account the payment (or non-payment) of Coupon Interest detailed in the two preceding paragraphs.

If Bonds are held through NZClear, Coupon Interest will be credited to the NZClear members who are the holders of the Bonds on the Record Date immediately prior to the relevant Coupon Interest Payment Date by crediting the relevant member's NZClear cash account (or a linked nominated account in accordance with NZClear's system rules).

For all other Bondholders, Coupon Interest will be paid to the Bondholder Registered on the Record Date immediately prior to the relevant Coupon Interest Payment Date by crediting an account nominated by the Bondholder at any Registered Bank in New Zealand.

With regard to payment of Coupon Interest, the Registrar will accept written instructions from Bondholders provided they are received prior to the Record Date.

If bank account details have not been provided to the Registrar, Coupon Interest will be withheld until account details have been provided. No additional interest will be paid on any amounts withheld.

If a Coupon Interest Payment Date is not a Banking Day, payment will be made on the next succeeding Banking Day without payment of additional interest.

## 3. FEES AND TAXATION

### 3.1 FEES

The registration, transfer, Coupon Interest payments, Face Value payment, confirmation information and certifications of transfers of Bonds will be made free of any fees, duty, charges, deductions or levy, except to the extent required by law or as provided in clause 3.2 of this Information Memorandum.

Fees will be payable for Bonds separated into their Face Value and Coupon Interest components (Bond "STRIPS" (Separate Trading of Registered Coupon Interest and Principal Securities)) (refer clause 8.2).

### 3.2 TAXATION

Taxation is likely to affect returns to Bondholders. Bondholders should consult a taxation advisor about the tax treatment of their investment.

New Zealand Residents or persons who otherwise receive payments of Interest that are subject to the RWT rules will have RWT deducted from Coupon Interest payments (and any payments deemed by law to be Interest) at the applicable RWT Rate unless the Bondholder has notified the Registrar that it has RWT-exempt status (as defined in section YA1 of the Income Tax Act 2007) and provided its IRD number to the Registrar to verify that status on the electronic register maintained by the Commissioner of Inland Revenue and that status remains valid at the time the relevant payment is made.

On the Maturity Date, if the issue price paid for any Bonds was less than the Face Value, the difference between the issue price paid for those Bonds and the Face Value will be deemed to be Interest.

The RWT Rate depends on the nature of the Bondholder, whether the Bondholder has provided their IRD number to the Registrar and (where an IRD number has been provided) the election made by the Bondholder. Current RWT Rates are published on <https://www.ird.govt.nz/>

Where the Registrar is satisfied that the Bondholder is not a New Zealand Resident and the Interest they receive is subject to the NRWT rules, unless the payment of Approved Issuer Levy does not reduce the rate of non-resident withholding tax to 0% or the Bondholder advises the Registrar that NRWT should be deducted, the Issuer will pay Approved Issuer Levy on its own account and no NRWT will be deducted. If a Bondholder advises the Registrar that it does wish NRWT to be deducted then NRWT will be deducted from Coupon Interest payments (and any payments deemed by law to be Interest) at the applicable rate. If the Bondholder is not a New Zealand Resident and the Interest received is subject to the non-resident withholding tax rules, but the Bonds are held jointly with a New Zealand Resident, non-resident withholding tax will be deducted at the applicable resident withholding tax rate.

The NRWT rate will vary depending on any double-tax agreement between New Zealand and the Bondholder's country of residence. Current NRWT rates are published on <https://www.ird.govt.nz/>

However, if the Bondholder holds the Bond jointly with a New Zealand Resident, NRWT will be deducted at the applicable RWT Rate.

The Issuer and the Registrar are entitled to rely upon information given by a Bondholder as to the Bondholder's residency and activities in New Zealand when making any withholding for RWT, NRWT or payment of Approved Issuer Levy or as otherwise required.

## **4. ISSUANCE AND REPURCHASE METHODS**

### **4.1 BOND ISSUANCE**

Bonds may be issued by way of tender, syndicated issue, private placement or otherwise.

The Crown reserves the right to issue Bonds with the same Maturity Date and Coupon Interest Rate as any other Bonds already on issue, from time to time and whether by tender, syndicated issue, private placement or otherwise.

### **4.2 BOND REPURCHASES**

The Crown or agencies of the Crown may, at any time, offer to purchase, beneficially, Bonds from any person. Any Bonds so purchased, may be lent, retained, sold or cancelled at the discretion of the Crown (or relevant agency of the Crown).

Bonds may be repurchased via tender, by reverse enquiry or otherwise.

### **4.3 SETTLEMENT PRICE**

For all Bonds issued by or repurchased by NZDM, the settlement price will be calculated using the formula in clause 5.1, 5.2 or 5.3 (as applicable) of this Information Memorandum as is appropriate.

## 5. REGISTRATION, SETTLEMENT AND TRANSFER

### 5.1 SETTLEMENT PRICE FOR PRIMARY BOND ISSUANCE AND BOND REPURCHASE

The settlement price for Bonds shall be calculated on a Yield basis using the following formula (unless the formula in clause 5.2 or 5.3 applies):

$$\text{SETTLEMENT PRICE} = \left( \frac{\frac{1}{(1+i)^n} + r \left[ c + \frac{1 - \frac{1}{(1+i)^n}}{i} \right]}{(1+i)^{\frac{a}{b}}} \right) N$$

- Where
- N = the Face Value of the Bond in Dollars
  - r = the annual Coupon Interest Rate divided by two hundred, i.e. the semi-annual Coupon Interest Rate (%)
  - i = the Yield divided by two hundred, i.e. the semi-annual yield (%)
  - c = where the Settlement Date is after the Record Date and up to, but not including, the next Coupon Interest Payment Date "c" has the value of 0, otherwise "c" has the value of 1
  - n = the number of full half years between the next Coupon Interest Payment Date and the Maturity Date
  - a = the number of days from the Settlement Date to the next Coupon Interest Payment Date
  - b = the number of days in the half year ending on the next Coupon Interest Payment Date

The settlement price will be rounded to the nearest cent (0.01 to 0.49 of a cent being rounded down and 0.50 to 0.99 of a cent being rounded up).

Settlements for any Bonds issued during the period from the Record Date up to, but not including, the Coupon Interest Payment Date will be on an ex-coupon interest basis. All other settlements will be on a cum-coupon interest basis.

## 5.2 SETTLEMENT PRICE FOR SHORT DATED BONDS

When Bonds have only one Coupon Interest Payment Date remaining, the following formula applies:

$$\text{SETTLEMENT PRICE} = \frac{N(1+r)}{1+\left(i \times \frac{n}{365}\right)}$$

- Where
- N = the Face Value of the Bond in Dollars
  - r = the annual Coupon Interest Rate divided by two hundred, i.e. the semi-annual Coupon Interest Rate (%)
  - i = the Yield divided by one hundred
  - n = the number of full days from the Settlement Date until the Maturity Date

## 5.3 SETTLEMENT PRICE WHEN YIELD IS ZERO

When the Yield is 0% per annum and the Bonds have more than one Coupon Interest Payment Date remaining, the following formula applies:

$$\text{SETTLEMENT PRICE} = N(1+r(c+n))$$

- Where:
- N = the Face Value of the Bond in Dollars
  - r = the annual Coupon Interest Rate divided by two hundred, i.e. the semi-annual Coupon Interest Rate (%)
  - c = where the Settlement Date is after the Record Date and up to, but not including, the next Coupon Interest Payment Date "c" has the value of 0, otherwise "c" has the value of 1
  - n = the number of full half years between the next Coupon Interest Payment Date and the Maturity Date

## 5.4 SETTLEMENTS OF BOND ISSUANCE AND REPURCHASE

Bond issuance and repurchase is settled via NZClear. For further operational information about the physical settlement of issued or repurchased Bonds, please contact NZDM.

## 5.5 FORM OF BONDS

Bonds will be issued in Registered form, having minimum Face Value of \$1,000,000 and multiples of \$1,000,000 thereafter.

Subsequent to the issue of Bonds, the Bonds may be transferred to persons in parcels having a minimum Face Value of \$10,000 and multiples of \$1,000 thereafter. The issue of the Bonds will be effected and evidenced by particulars of the Bond being entered in the Register by the Registrar (in accordance with clauses 5.8 and 5.9 of this Information Memorandum).

## 5.6 REGISTRATION OF BONDS

Bonds may be held by individual persons, or two or more persons as joint tenants with right of survivorship. Organisations or trusts which are not incorporated should complete their application in the full name(s) of the trustee(s). No notice of any trust in respect of any Bonds will be entered in the Register or receivable by the Registrar. Each Bondholder is to be regarded as the absolute beneficial owner of the Bonds Registered in its name and NZDM and the Registrar shall not be affected by any trust or other equity affecting any Bond, whether or not it is aware of the same.

If two or more persons apply to be registered as Bondholders as tenants in common, the Registrar may, after receiving an application from either person and notifying the other person(s) of its intentions to do so, divide the Bonds into the share for which each person is expressed to be entitled and register each person as the holder of the Bonds representing the person's share. If the Bonds cannot be divided into shares where the minimum is \$10,000 and a multiple of \$1,000, the Registrar may refuse to accept the application.

## 5.7 NOTICES OF REGISTRATION/TRANSFER

Notices of registration for Bonds will be issued by the Registrar to the transferee following the registration of a transfer or issue of Bonds. These notices do not constitute a certificate of title, but, merely advise the registration of the Bonds.

A notice will be issued by the Registrar to the transferor following the registration of a transfer of Bonds.

## 5.8 REGISTER

The Registrar shall enter in the Register the following particulars of every holder of Bonds:

- Name and address of the Bondholder;
- Face Value of the Bonds held;
- Coupon Interest Rate payable on the Bonds;
- Coupon Interest Payment Dates of the Bonds;
- Maturity Date of the Bonds;
- Such other particulars as may, from time to time, be required by NZDM (including such particulars as may be required under the Financial Markets Conduct Act or the Financial Markets Conduct Regulations); and
- Such other particulars as may, from time to time, be considered necessary by the Registrar.

The Registrar may correct errors and remedy omissions in the Register.

## 5.9 TRANSFER OF BONDS

The Bondholder may, by way of a form of transfer in such form as the Registrar prescribes, which can be found at <https://www-au.computershare.com/Investor/#help/PrintableForms>, transfer to any other person all or any of the Bonds of which it is the holder. After clicking this link, you will need to select 'New Zealand' from the drop-down menu in the top right-hand corner of the webpage. Transfers must be in multiples of \$1,000 and unless the transfer of Bonds results in a nil holding by the transferor, no transfer may be made if, as a result thereof, the Face Value of the Bonds Registered in the name of the transferor or the transferee would be less than \$10,000.

On production to the Registrar of a duly executed form of transfer accompanied by such other evidence as the Registrar may require to prove the authority of the persons signing the same to sign on behalf of the transferor, the Registrar will enter in the Register the name of the transferee as the Registered holder of the Bonds to which the form of transfer relates.

When the right to any Bond is acquired by any person in any manner other than by a form of transfer, the Registrar, on application by or on behalf of the person entitled, and on being satisfied that the person is entitled to be registered as the Bondholder, will enter the person in the Register as the holder of the Bonds.

Upon registration of a form of transfer or other assignment on the Register, the transferee will be recognised as entitled to the Bonds.

No transfer or other assignment will be registered in the period from the Record Date immediately prior to the Maturity Date, to the Maturity Date.

## 5.10 CERTIFICATION OF TRANSFERS (MARKINGS)

The Registrar may, on the application of a Bondholder, certify on a form of transfer of Bonds that the person named therein as transferor is entered on the Register as the Bondholder. Any such certification may be subject to such conditions as the Registrar prescribes and is at the sole discretion of the Issuer.

Where a form of transfer of Bonds has been certified under this clause, the Registrar may refuse to record any transfer of ownership of the Bonds until the form has been produced to the Registrar and the certification thereon cancelled, or the certification has expired by virtue of its conditions, or the Bonds have matured.

The Registrar will enter in the Register particulars of every form of transfer certified under this clause.

## 6. THE FINANCIAL MARKETS CONDUCT ACT 2013

The initial offer of Bonds is made by the Crown solely to Wholesale Investors in reliance on the exclusion in clause 22(1)(a) of Schedule 1 of the Financial Markets Conduct Act. Regulation 72A of the Financial Markets Conduct Regulations applies to the initial offer of the Bonds.

The application of regulation 72A to the initial offer of the Bonds means that an offer of Bonds for sale by a Wholesale Investor to a Retail Investor in New Zealand will not be required to comply with certain disclosure requirements in the Financial Markets Conduct Act and the Financial Markets Conduct Regulations (including clauses 30 and 31 of Schedule 8 of the Financial Markets Conduct Regulations), provided that, unless the Bonds have previously been held by a Retail Investor in New Zealand, the Wholesale Investor has provided the Retail Investor with a Product Disclosure Statement for the Bonds before the Wholesale Investor accepted an application or transferred the Bonds to the Retail Investor.

The Product Disclosure Statement provided to the Retail Investor must be the most recent Product Disclosure Statement for the Bonds lodged by the Crown on the register entry for the Bonds at <https://disclose-register.companiesoffice.govt.nz/> which contains a statement that Regulation 72A applies to the initial offer of Bonds.

- the final payment of Coupon Interest will be made to NZClear members who are the holders of the Bonds on the Record Date immediately prior to the Maturity Date by crediting the NZClear cash accounts of those holders (or a linked nominated account in accordance with NZClear's system rules); and
- the payment of the Face Value of all Bonds held through NZClear on the Record Date immediately prior to the Maturity Date will be made to NZClear. NZClear will credit the NZClear cash accounts (or a linked nominated account in accordance with NZClear's system rules) of the NZClear members who, at the close of business on the Banking Day prior to the Maturity Date, are the holders of the Bonds.

For other Bondholders, payments will be made to the Bondholders Registered on the Record Date immediately prior to the Maturity Date. Payments will be made by crediting an account nominated by each Bondholder at any Registered Bank in New Zealand.

With regard to the repayment of the Bonds, the Registrar will accept written instructions from Bondholders provided they are received prior to the Record Date.

If bank account details have not been provided, payments will be withheld until account details have been provided. No additional interest will be paid on any amounts withheld.

Payment will be made on the Maturity Date but, if the Maturity Date is not a Banking Day, payment will be made on the next succeeding Banking Day without payment of additional interest.
